PROFESSIONAL EXPERIENCE

BigOhTech

HR Executive - (09/2025– Present)

- Partnered with hiring managers and business leaders to drive **technical hiring mandates**, understanding skill requirements, role expectations, and ensuring closures within defined SLAs.
- Managed complete employee documentation including offer letters, contracts, NDAs, IDs, and policy acknowledgements for **50+ employees**, ensuring 100% compliance and audit readiness.
- Onboarded **50+ employees**, managing complete documentation (offer letters, contracts, NDAs, IDs, policy acknowledgements) ensuring compliance and smooth transition.
- Maintained accurate employee master data in HRMS (Keka) covering attendance, leave, and employee records.
- Acted as primary HR SPOC for new hires and employees, resolving queries and ensuring positive employee experience.
- Supported probation tracking and performance review cycles (30-60-90-day reviews) in alignment with business expectations.
- Handled employee relations matters and policy escalations while maintaining compliance and organizational standards.

Sparx IT Solutions

Technical Specialist - (06/2022 - 08/2023)

- Managed 360° recruitment lifecycle for technical and non-technical roles across in-house and Big4 client requirements, driving consistent closures and high-quality hiring outcomes.
- Partnered closely with hiring managers and leadership to define role expectations, hiring strategies, and workforce plans, improving timeto-hire and hiring efficiency.
- Specialized in technical hiring across engineering and business roles, executing targeted sourcing strategies to attract high-quality talent.
- Sourced passive candidates using LinkedIn Recruiter, Naukri, Instahyre, Boolean/X-ray search, and AI-driven sourcing tools to build strong talent pipelines. Conducted market mapping and competitor analysis to identify and engage top talent from leading tech organizations.
- Performed initial technical screenings, behavioural assessments, and cultural fit evaluations to ensure quality shortlisting.

- Managed end-to-end offer rollout including compensation benchmarking, salary negotiations, and offer closures to maintain strong acceptance ratios.

Pylon Consulting
